BRANCH PRESIDENT'S CORNER

A few of us just got back from the SER Mid-Year held in Jacksonville Florida, and I am delighted to announce that our essay contest first place Branch 269 winners received a second and third place award at regional. Names of the winners will be announced at a later date. Bravo Zulu to both of them. The next regional event will be the 64th FRA, and 62nd LAFRA Conventions held in Macon Georgia, August 13 through 16 August 2009. It has been suggested that Branch 269 hold the 2011 conventions. More on that later.

Just a short reminder that elections are just around the corner, first nominating round be next month with elections in May. Get your campaign speeches ready. It should be an exciting election. The Branch as always will be electing a President, Vice President, Treasurer, secretary, and BOD members. The Home will be electing, Chairman, Vice chairmen, Financial Secretary, Administrative Secretary, Buildings & Grounds Director, Special Events Director, Membership & Security Director, plus four other committee members.

I just returned from the Naval JROTC Annual Military Inspection. The Branch and Unit were both recognized for the monetary contribution we gave the organization. It was a very nice program to observe, a bit cool. As the unit passed in review, you could tell it was a Naval JROTC. Brought back old memories, (well not that old). This is a good program and I am glad we support it.

Naval History for March; 03/01/1942, *U-656* becomes the first German submarine of WWII to be sunk by Naval air (VP-82). 03/03/1871, Navy Medical Corps established. 03/07/1994, Navy issues first orders to assign women aboard combat ships, USS *Eisenhower*. 03/15/1947, Ensign John W. Lee becomes first African American Officer commissioned in regular Navy. 03/19/2003, U.S. begins Operation Iraqi Freedom by launching cruise missiles from Navy ships in the red Sea and Persian Gulf. 03/27/1794, Congress authorizes construction of 6 frigates, including *Constitution*. 03/31/1992, USS *Missouri* (BB-63), the last active American Battleship is decommissioned.

And what is a news letter without mentioning membership. May is the last month in the recruiting year. We need about 25 new or reinstated members to reach our 100% goal. If .5% of our members recruited just one new member we would exceed our goal.

Don't forget the Friday and Saturday night pool tourneys, pizza night and everything else happening at the Fleet. See Ya there. DI-DA-DI-DA-DIT.

In Loyalty, Protection, and Service,
Larry M. Starland

Theme "What The United States Flag Stands For"

The American flag, with its red, white, and blue represents opportunity to me. As an immigrant to the United States, the American flag represents the end of a hard fought journey and the beginning of another. The flag of America stands for the equality of each and every person who inhabits this land, the freedom to what we so chose, and the pursuit of happiness for ourselves and for our family.

I consider myself fortunate to have the opportunity to obtain an education, to have the rights to defend myself, and to become the person I choose to be. I am here in the land of opportunity to make the best out of my situation and to strive for happiness. To me the American flag stands for my opportunity to become a doctor. A dream that might not even be considered if my parents had not decided to immigrate to America. I am not only grateful, but humbled by the opportunity to succeed. I would never be able let go of this amazing opportunity because to do so would be like turning my back on the American Flag. The American flag gave me the scarce opportunity that is not available for millions of people all around the world.

The combination of red, white, and blue to make up the American flag stands for the ability of make dreams come true. It stands for the opportunity to do great things and find the happiness we all search so vigorously for. The flag represents a once in a lifetime opportunity for everyone, rich or poor, of any ethnicity, to become the person we choose to be. This is our opportunity to choose our destiny and the color we wish to paint our future with. To me, the American flag will always mean opportunity, the opportunity to choose, to decide, or to change my destiny.

MADAM PREZ'S TIDBIT

How are you enjoying our bout of cold weather?? Snug by the fire I hope. Read a little clip that I found that should spark a little interest.

The bare bones of an association:
Which bone are you??

THE WISH BONE---

The member who always wishes someone else would do the job??

THE JAW BONE---

The member who talks a lot, and does nothing but criticize???

THE KNUCKLE BONE---

The member who is forever knocking the efforts of others??

THE BACK BONE---

Those old faithful members who are never too busy to undertake a job and complete it; and are ready to serve and support their association??

I hope that you are all "back boners" and will come out and join us at the next meeting. We have several events coming up; you can find the details elsewhere in the newsletter.

The Ladies' luncheon is going to be at Smokey Bones on March 17th at 11:30. Please make an effort to join us there.

Happy birthday if it is your turn to have one, please get well soon if you are ailing. My sincere condolences to you on the loss of your loved one.

Yours in Loyalty, Protection and Service, Rusty
